Dear Friends, Lent offers us a lot of time and space to examine our lives in God's presence. We are thankful that there is so much good around us, but there is also so much that can be better - in our lives, our relationship with God and each other and in our world. Lent gives us the tools of prayer, fasting and giving, to look beyond ourselves and our own cares to see what we can do, by God's grace, to make things better.

May Jesus lead us through Lent to the amazing grace of Easter. Amen.

Fr Paul
