Game Rules

1. Each week you must pick a premier league team that you think will win their game
2. If your team wins their game you are through to the next round
3. If your team draws or loses you are out of the competition
4. You may not pick the same team to win more than once (unless the competition progresses past 20 weeks)
5. Each week you must send your name and chosen team by Email or WhatsApp to Sean Moore (sfmsurveying@gmail.com)
6. Selections must be submitted by 7pm Friday unless otherwise stated
7. If you do not select a team by the deadline or in the event you have nominated a team that you had previously used you will be assigned the lowest alphabetical team in the table which you have not previously selected. For clarity the order is Arsenal, Aston Villa, Brighton, Burnley, Chelsea, Crystal Palace, Everton, Fulham, Leeds United, Leicester City, Liverpool, Man City, Man United, Newcastle, Sheffield United, Southampton, Tottenham, West Brom, West Ham, Wolves
8. Game weeks will be based on full rounds of fixtures – Usually the weekend and Monday games, but may have exceptions over the Christmas period and some planned midweek games

However that team will no longer be available for selection. If 3 or more games are cancelled in one weekend the game week will be skipped. If a postponement is announced before entry deadline then the teams involved can no longer be selected.
