IRISH REFERENDUM ON THE EIGHTH AMENDMENT, 25th MAY 2018

In their Spring Statement, the Irish Bishops wrote, "Article 40.3.3 is a declaration of equality and respect for human life. It represents, at the very foundations and substructure of our laws, a conviction that all human life is worth cherishing equally. To repeal this Article would leave unborn children at the mercy of whatever permissive abortion laws might be introduced in Ireland in the future. We invite people of faith to pray earnestly that Ireland will "choose life" and that the lives of all women and their unborn children will always be loved, valued, welcomed and respected in this country."
