“You have abandoned the commands of God and are holding on to the traditions of men.” Have you ever been sat in a church service and wondered that you might be out doing something more useful instead? It's not that you don't believe, not that you don't feel that God is present in your life, but that you wonder if the church has anything to do with your faith. There are occasions when such thoughts have crossed my mind, perhaps it was a failing on my part, but there have been moments at church services where I did not get a great sense that I was meeting with the living Jesus.

## NEW COVID-19 GUIDELINES

From Monday 19 July many of the current restrictions were lifted in line with the new guidance from the Bishops Conference and the Government. This brings an end to the official social distancing arrangements and so the benches will be gradually returned to their normal positions. Congregational singing will be allowed again. The collection will also now return to its traditional position during Mass. Confessions will resume in the Confessional Boxes. Timings for all services and confessions are available on the parish website and on notices around the Church. We are aware that some of us may still be anxious about coming into public buildings. Therefore, we encourage the following:

- That face coverings continue to be worn when in the Church at Mass and busy services, unless you are exempt.
- That you sanitise your hands on entering the Church.
- That, where possible, you try to leave two seats between you and other people not known to you.
- We also ask that you do not come into the Church if you have any symptoms of Covid-19 or have been asked to self-isolate having come into contact with someone with the virus.

Please note that there will be fire security works going on in the church following Garston Fire Station's inspection of the Church. This has caused a great deal of expense but it was of course a necessity to ensure the safety of our Parishioners.

**CHURCH OPEN:** The church will now be open daily for private prayer from 09.30 – 17.00 (except Monday). Access is via the two entrance doors. The door will be closed but unlocked. Please feel free to pop in to visit the Lord and enjoy a moment of peace and solace in His presence.
