30TH MAY 2021
+THE MOST HOLY TRINITY

Dear Parishioners,

Go, therefore, and make disciples of all nations, baptising them in the name of the Father, and of the Son, and of the Holy Spirit

This weekend we celebrate Holy Trinity Sunday as the first major feast that follows the conclusion of Eastertide with the celebration of Pentecost. The Church is reminding us that we can now know the true nature of God since Jesus, the Son of God has revealed the person of the Father and the role of the Holy Spirit in our world. We can now also better understand the plan of God, that all the members of the Blessed Trinity share, each in their own unique way. The words of the rite of Absolution in the Sacrament of Confession put this very succinctly: God, the Father of mercies, through the death and Resurrection of his Son, has reconciled the world to himself and sent the Holy Spirit amongst us for the forgiveness of sins. This is the work of the Gospel and it is a work in which each person of the Trinity has now been shown to play a part. If we try to comprehend the mystery of God as a communion of three divine persons we may find it a little hard to fully understand. However, if we can accept that God is love then the mystery of God becomes accessible. Through Baptism and by living the baptismal vows to reject evil and to embrace the Christian creed, we come to share in the love that God is in himself. It is sin that stops us from realising our true identity as creatures made in the image of God. Once we believe that God sent his Son to redeem us from sin and has poured out the Holy Spirit upon us so that we can know him as our own 'Abba, Father', then we begin to live a life in which we don't so much try and understand God but love him and live lives of love with one another. The Blessed Trinity is at the root of all reality, most especially our own lives. We are called to live in communion with God and each other and the proper place for this is through the Church which Baptism opens up for us. Let our faith in God and our desire to follow his plan of love for our lives be strengthened by this beautiful feast.

God bless you,

Fr Martin
