

St Saviours-OLMS Chipperfield Foodbank

We are working towards creating our own Food bank/ Community food table to support our parishioners and those in need in the surrounding areas.

We are asking for donations. Your donations can be left in the box at the back of the Church, OR you can take part in our **Reverse Advent Calendar**.

Reverse Advent Calendar:

How does it work? Rather than the traditional opening of a door every day and taking a chocolate or beauty item, the reverse calendar adds a food item to a basket/bag every day for a whole month. So, that we have items to distribute in time for Christmas, we are asking families/ individuals to start their reverse advent calendars now rather than waiting until the start of Advent (28th November).

What to include?

Grocery products with a longer shelf life, so tins of soup, beans, vegetables, spaghetti. Packet pasta and noodles are a great option as many people only have a kettle and no hob cooking equipment.
