Jesus is always inviting us to see things differently. When Nicodemus sought out Jesus, he was in the dark ” both really and symbolically. He couldn't see clearly. In the years that followed this late night conversation, Nicodemus became a follower of Jesus and, step by step, was drawn to see things differently. At last he finally *did* see. When at the end, Jesus was really and truly lifted up, Nicodemus was not too far away. When we meditate on the crucifix and participate in the Eucharist we also see Jesus lifted up. Perhaps today as I lift my eyes to see him, I might ponder on the mystery of suffering and exaltation and wonder at the love that is lifted up and draws us ever closer, uplifting us as well.
