In today's gospel, John narrates Jesus' encounter with those profaning God's Sanctuary. His action simply demonstrates that He is actually God's wisdom and the fullness of the Law. His zeal distinguished Him, from the authorities. Instead of representing God's interest, they represented their selfish economic and social interests. It also, distinguishes Him from temple pilgrims who simply visited the temple without real devotion to God. The Church is the house of God and a place of worship. We must keep it holy and respect it. Also, it reminds us that our body, and the body of Christ is the Temple of God. So, we must not defile it. Finally, today Christ prophesied about his own death and resurrection: "Destroy this temple and I will raise it up in three days." This prophecy will be fulfilled during the paschal mystery. Therefore, today's gospel keeps the events of this season in perspective. It reminds us of where we are heading to this season, the death and resurrection of Jesus Christ.
