The Ten Commandments

Synod Meeting 1 — 15th February:

We'd like to share the summary of what was discussed at the first Synod meeting which took place on 15th February.

Q.1: How do we witness as a Parish and proclaim our faith to:

- those who have never heard of Christ;
- those who have ceased walking with Christ;
- those with whom we worship Christ (those who go to church)?

The parish currently employs a multifaceted approach to witnessing and proclaiming its faith:

Community Engagement: The involvement of various groups such as the family liaison representative, homeless centre volunteers, sacramental preparation parents, parish council, and parishioners in events like parish picnics and Carol Concerts fosters community spirit and outreach.

Communication Channels: Utilising multiple communication channels including Facebook, website, emailed newsletters, and weekly bulletins ensures effective dissemination of information and encourages participation.

Youth Involvement: Involving younger members of the congregation in ministries like readers and Eucharistic ministers, as well as engaging them through school collaborations, fosters intergenerational connectivity and ensures the continuity of faith practices.

Social Justice Initiatives: Engaging in various social justice initiatives such as Justice and Peace, Fair Trade, charity works, and prayer groups reflects the parish's commitment to living out Catholic social teachings.

Evangelisation: Incorporating evangelistic elements into marriage preparation and encouraging parishioners to invite others to parish activities and events demonstrates a proactive approach to spreading the faith.

Q.2: How should we organise ourselves as a Parish to do this more effectively?

Based on feedback and analysis, the following recommendations are proposed to enhance the effectiveness of parish witness and faith proclamation:

Buddy System: Implement a buddy system to pair newcomers with existing parishioners for personalised welcome and integration.

Strengthen Enhanced Local School Collaboration: collaboration with the local school through involvement in open days and evenings, fostering stronger ties between the parish and the school community. Parish could have a stall for parents' information informing them of what is available in the parish and to encourage weekly attendance.

Youth Engagement at Mass: Establish a weekend welcome team composed of younger parishioners to enhance youth engagement during Masses.

Improved Social Media Presence: Utilise social media platforms more effectively by creating a parish YouTube channel showcasing events and highlights, alongside regular updates on Facebook and other platforms.

Creative Design for Communication: Utilise individuals with graphic design skills to enhance the visual appeal and effectiveness of parish communication materials, including the noticeboard.

Annual or Biannual Parish Mission: Organise a parish mission once a year to rejuvenate and refocus the community on its mission and purpose.

Encouraging Weekly Mass Attendance: Incorporate a recommendation for engaged couples undergoing marriage preparation to attend weekly Mass as part of their spiritual preparation.

Conclusion to First Meeting

The parish's witness and proclamation of faith are vital aspects of its identity and mission. By implementing the recommended strategies, the parish can enhance its effectiveness in reaching both its members and the wider community, fostering a vibrant and dynamic faith community rooted in the Gospel values of love, service, and outreach.

Next week's newsletter will focus on the discussions of the second meeting.
