Terminally ill Adults (End of Life) Bill

A new attempt to push this Bill through has been launched. A debate and vote in the Commons could come as early as 11th September. During the in-depth and essential scrutiny of the Bill in the previous Parliamentary Session, there were warnings from several bodies and individuals, including Royal Colleges, the Equality and Human Rights Commission, the Former Chief Executive of NHS England and most critically, people with disabilities. Archbishop John Sherrington, Lead Bishop for Life Issues, is calling on people of goodwill to join in work and prayer to prevent this flawed bill from succeeding.
