As you will appreciate, our Section Programme for 2020 is now on hold. When we get through these most difficult times, which we shall, our plans will be rescheduled as best we can.

For our April Meeting we were to have had a speaker from AGE UK . They are offering a be-friending service, like our CWL Friendship Line. They can also arrange for a Hot Meal to be delivered to people who are alone & vulnerable . AGE UK can be contacted on a special telephone Line during these times.

For those of you with Internet Access a couple of sites worth taking a look at are:-

**[thecatholicuniverse.com](http://thecatholicuniverse.com)**

**[rcdow.org.uk](http://rcdow.org.uk) – especially the News Services Page**

Both sites are full of information re streamed Masses, other Services. & lots of interesting information.

I understand that all of you with Internet Access are receiving our Parish Newsletter on line? Some of you have told me of various Parishes that you have visited – 'to go to Mass'. We shall certainly have a lot to talk about once we can all meet up again.

I have discovered that the BBC are going to broadcast 'a service' on Easter Sunday @ 8.00am. For listeners in our area the Radio Station to tune into is **Radio LONDON – which can be found on 94.9FM.**

From feedback , given to me - I am delighted to learn that our Cascade Friendship Line is working well & is greatly appreciated.

Have any of you knitted any of the chickens from the pattern each of you received?

Finally - I wish you and your families a Blessed & Holy Easter time & hope that it is not too long before we are all reunited .

In the meantime, please remember to use the Cascade Friendship Line, feel free to call any of us at any time.

God Bless  
Love & Prayers

Mary
