October 2018

Dear Parishioners

The Catholic Primary School Group

We wish to suspend but not close the good work of the Catholic Primary School Group at this moment in time. This is due to a range of contributing factors, including current economic circumstances and the political climate.

We will be renamed the Catholic Primary School and Admissions Group and will work with local Catholic Schools in this interim period. We will seek to improve links and support Catholic families applying for admission to Catholic Schools from the parish. Please contact the group through the office if you need this support.

We wish to thank all parishioners, also current and former parish priests, for the prayers and support for a genuine Catholic Parish Primary School.

The vision, on the founding of the Parish at Cockfosters, was for a Catholic parish primary school. Please continue to pray for this to be a reality.

We celebrate all that has been achieved thus far and over time.

Thank you

Daniel Keane
