

Creating Tube Art Activity Week 15

www.snapguide.com

Gather all the things you need

Toilet/Kitchen roll tubes,
Scissors, Glue,
Coloured Paper,
Paint and Paint Brushes
Background Card

1. Paint the tubes, inside and out, and let them dry.
2. Cut each colour in strips about 0.5 cm (0.19 in)
3. Glue the pieces to the coloured paper to make the flowers.
4. Cut the yellow strips in half and glue them together to make smaller petals.
5. Glue the petals separately to the yellow paper.
6. After the glue has dried, glue the small petals in the middle of the bigger ones, and cut the flowers from the paper.
7. Glue the flowers to your background.

Here are some other examples of tube art.....
