

“SPIN THE TOILET ROLL”

ACTIVITY - WEEK 14

Idea given by Mr & Mrs Carroll

Now the shortage of toilet rolls has ended
why not give this game a try..

All you need to set up this game is

3 Toilet Rolls

A pole/stick/broom handle

Felt Tip Pen

Take each toilet roll and write a sequence of numbers evenly around the roll.

Slot the pole/stick or broom handle through the toilet rolls.

Balance the pole across two pieces of furniture e.g. 2 chairs

Ensure the toilet rolls are hanging freely in the centre of the pole.

In turn spin the toilet roll to see if you can get 3 matching numbers in a row.

Good luck!

If you want to be more creative you could draw pictures instead of numbers.
