Extracts from the encyclical "Tutti Fratelli" - ON FRATERNITY AND SOCIAL FRIENDSHIP

Pope Francis

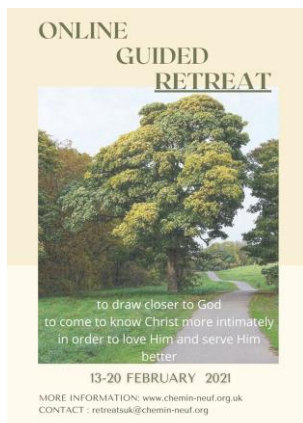

The different religions, based on their respect for each human person as a creature called to be a child of God, contribute significantly to building fraternity [...] Dialogue between the followers of different religions does not take place simply for the sake of diplomacy, consideration or tolerance. In the words of the Bishops of India, "the goal of dialogue is to establish friendship, peace and harmony, and to share spiritual and moral values and experiences in a spirit of truth and love"

At the same time, we ask God to strengthen unity within the Church, a unity enriched by differences reconciled by the working of the Spirit [...] As Saint Augustine said, "the ear sees through the eye, and the eye hears through the ear". It is also urgent to continue to bear witness to the journey of encounter between the different Christian confessions. [...] "even as we make this journey towards full communion, we already have the duty to offer common witness to the love of God for all people by working together in the service of humanity"

"Tutti fratelli", paragraphs 271 & 280

COCKFOSTERS SHARING GROUPS

The main point of these small groups to grow in Faith through personal sharing of scripture and of our lives. This is for everyone: - singles, couples, divorced, elderly, young... - to be part of a small group (7-10 people) meeting once every 3 or 4 weeks in the parish (for the moment), where we can share in confidence about our lives in the light of the scriptures. Our parish wants to provide safe places for everyone who wants them, where we can be ourselves with our fellow Christian brothers and sisters. Please contact Fr Christophe or email the parish office if you are interested in joining.
