St Thomas More Flower Festival - 20th - 22nd June

There will be some 30 or so Flower arrangements at this, our Patronal Festival, and we are inviting our parishioners to sponsor a display perhaps in memory of a loved one, as a thank you for past blessings or for any other reason. Forms will be available from this coming weekend and all you need do is fill out the form being clear on how you would like the citation worded; i.e. "In memory of ……." or "In grateful thanks for blessings on …." etc. The citation will be displayed alongside an arrangement. The amount that you give is entirely up to you and you can leave it with any of the ushers at Mass or give it directly to me. For information only, we are allowing each of the artists up to £50 to cover the cost of their flowers but please do not let this influence your contribution, we would be pleased with whatever you offer.

Most importantly, please come along over that weekend with family and friends and enjoy some wonderful displays, some excellent coffee, teas, cakes, light lunches and afternoon delights (including the world-renowned chocolate brownies) and an exhibition of parish artifacts gathered over the past 75 years, including some props from out recent "Last Days of Jesus" dramatization.

Not to be missed, We look forward to seeing you.

Sincerely,

Madaline Luckhurst
