Promotion of the APF next weekend (19th and 20th)

Fr Frank Downs MHM will speak at all Masses next weekend about the Association for the Propagation of the Faith (APF) which helps the church's 1,069 mission dioceses provide pastoral care and preach the Gospel.

In England and Wales, funds for overseas missions are collected through red boxes. These are in more than 200,000 homes and have helped raise millions of pounds for the missionary Church.

The APF in England and Wales works with the Mill Hill Missionary Society whose missionaries are sent to the most remote places in the world to share the love of Christ with those who are in need, both spiritually and materially.
