CAFOD World Gifts

Please take a copy of CAFOD's *World Gifts* catalogue. CAFOD write: "World Gifts are a range of virtual charity gifts that will delight the people you give them to and help transform the lives of poor communities and families in developing countries." After placing your order, you receive "a beautifully illustrated card of your chosen gift, together with a presentation gift envelope, which explains how your gift can help people fighting poverty in developing countries. Personalise your posted card and give it to your friend or loved-one. The money you spend on your gift helps us transform the lives of poor families in the developing world."
