**8th May 2022 - Fourth Sunday Of Easter - C**

This QR CODE is another way for you to donate to support our parish. Please scan it with the camera of your phone and follow the link.

The 4th Sunday of Easter is traditionally known as "The Good Shepherd Sunday". On this Sunday the Church across the world prays for all of us to discover our vocation, whatever it may be. Some are called to Marriage, others to the Priesthood or consecrated Religious Life as nuns or monks. We need this reach diversity of vocations in the Church and in the world!

Today, Saturday, I presided over the wedding of Alexander Edwards & Emily Jelly. What a joyful occasion this was! That's why our church is so beautifully decorated... Moreover, other couples are talking to me expressing their desire to marry and form a family. Some of these couples, for different reasons, have been living together for a number of years but never embraced each other in the holy Sacrament of Marriage. It is a very special joy to me to help them to do so. If this is your situation, please come and talk to me. I am very happy to support and assist you with this.

**Deacon Daniel Daley writes:**

Thanks to your support and God's grace over the years, I am delighted to be able to invite you all to my Ordination to the Priesthood on Saturday 25th of June at 10.30am in Westminster Cathedral. Please do keep me in your prayers over the next few months.

Let us pray especially for our children and young people and for those who have not yet discovered their vocation. May the Good Shepherd help them to discern his calling, his will in their lives. May we be open to his plans of love for each and everyone of us!

God bless you.

Fr. Cristiano

**Justice & Peace:** Given our Catholic responsibility to care for creation, parishioners (especially our younger ones?) may be interested in participating in a survey of plastic packaging waste? For one week (16-22 May) people all over the country are being asked to count and record plastic waste in an attempt to have the biggest investigation ever into household plastic waste. On the basis of evidence gathered, government will be asked to take action and the more people take part, the more impact the campaign will have - see the #TheBigPlasticCount or <https://act.gp/3iOmgvDhttps://act.gp/3iOmgvD>
