

Benediction at the end of the Procession. A relic of Bl Carlo Acutis, whose Canonisation has recently been announced, will also be present.

Ealing Foodbank as ever are very keen to receive regular donations and the boxes are always in the porch for your donations. The newsletter also regularly reports about provisions in particular short supply. Please however note that all cans and other donations must be 'in date' and in decent condition...there was an occasion recently when someone donated bagfuls of out-of-date and dirty tins and cans which had to be removed before we could pass onwards to those in need.

This weekend begins the Season of Creation (1 September-4 October) and Pope Francis writes: "Hope and Act with Creation is the theme of the World Day of Prayer for the Care of Creation, to be held on 1 September 2024....The life of a Christian is one of faith, active in charity and abounding in hope, as we await the Lord's return in glory. Salvation embraces creation as an "earthly paradise," mother earth, which is meant to be a place of joy and a promise of happiness for all.Our Christian optimism is founded on a living hope: it realizes that everything is ordered to the glory of God, to final consummation in his peace and to bodily resurrection in righteousness, as we pass "from glory to glory....Nonetheless, in the passage of time we are not exempt from pain and suffering: the whole creation groans because it is caught up in this process of new birth and, in groaning, looks forward to its liberation.....Hope can be seen as the possibility of remaining steadfast amid adversity, of not losing heart in times of tribulation or in the face of human evil.... Why is there so much evil in the world? Why so much injustice, so many fratricidal wars that kill children, destroy cities, pollute the environment and leave mother earth violated and devastated? At the same time, the salvation of humanity in Christ is a sure hope also for creation, for, "the creation itself will be set free from its bondage to decay and obtain the glorious liberty of the children of God" (*Rom 8:21*). Consequently, thanks to Christ's redemption, it is possible to contemplate in hope the bond of solidarity between human beings and all other creatures. "
