Your prayer and fasting is urgently needed. "And the people of Nineveh believed in God; they proclaimed a fast and put on sackcloth, from the greatest to the least...God saw their efforts to renounce their evil ways. And God relented about the disaster which He had threatened to bring on them, and He did not bring it." **The ecumenical message issued to mark the Season of Creation**

Each year from September 1 to October 4, the Christian family unites for this worldwide celebration of prayer and action to protect our common home. It is a special season where we celebrate God as Creator and acknowledge Creation as the divine continuing act that summons us as collaborators to love and care for the gift of all that is created. As followers of Christ from around the globe, we share a common call to care for Creation. We are co-creatures and part of all that God has made. Our well-being is interwoven with the well-being of the Earth. We rejoice in this opportunity to safeguard our common home and all beings who share it. This year, the theme for the season is "To hope and act with Creation". Amid the triple planetary crisis of climate change, biodiversity loss, and pollution, many are beginning to despair and suffer from eco-anxiety. As people of faith, we are called to lift the hope inspired by our faith, the hope of the resurrection. This is not a hope without action but one embodied in concrete actions of prayer and preaching, service and solidarity.
