Season of Creation (1 September – 4 October)

Pope Francis wrote: "Despite all attempts to deny, conceal, gloss over or relativize the issue, the signs of climate change are here and increasingly evident. No one can ignore the fact that in recent years we have witnessed extreme weather phenomena, frequent periods of unusual heat, drought and other cries of protest on the part of the earth that are only a few palpable expressions of a silent disease that affects everyone. [...] I ask everyone to accompany this pilgrimage of reconciliation with the world that is our home". This weekend alone we see the results of climate change across the globe, including local flooding. If you want something practical to do to address conflict around the world (often caused by climate change) you could mark CAFOD Harvest Fast Day (see inside), join in a peace pilgrimage in central London on Wednesday 2 October, and/or engage in an on-line prayer vigil the same evening:
