### **“November Dead List”**

Throughout November the Church encourages us to pray for the departed and to offer the Sacrifice of the Mass for them. To assist the faithful in their wish to pray for their deceased relations and friends many parishes invite parishioners to place the names of their deceased loved ones in an envelope so that Mass can be offered for them. That Mass here in St Paul's will be offered on Wednesday 30th November 2022. If parishioners wish to have Masses offered individually for the deceased please book such Masses in the normal way.

Often it is suggested that an offering also be placed in the envelope. The names in these envelopes constitute what is commonly known as the “November Dead List”. “November Dead List”. These envelopes are available in the church entrance.

# Laudato Si' Film: 'The Letter'

In 2015, Pope Francis wrote *Laudato Si'* an encyclical letter about the environmental crisis to every single person in the world. A few years later, four voices that have gone unheard in global conversations have been invited to an unprecedented dialogue with the Pope. Hailing from Senegal, the Amazon, India, and Hawai'i, they bring perspective and solutions from the poor, the indigenous, the youth, and wildlife into a conversation with Pope Francis himself. This documentary follows their journey to Rome and the extraordinary experiences that took place there, and is packed with powerfully moving personal stories alongside the latest information about the planetary crisis and the toll it's taking on nature and people.

**The *Laudato Si'* Film: 'The Letter' will be shown in St Paul's Church, Harefield at 4.00pm on Sunday 27th November 2022. All welcome.**

## JUSTICE AND PEACE AND THE ENVIRONMENT

14 November 2022, 12:45pm - 2:00pm

On Zoom

Rebekah O'Keeffe (Southwark Diocese) will lead us in an extended time of prayer and reflection for the proceedings taking place in Sharm El-Sheikh, Egypt, this week at the UN Climate Conference, COP27.

This network for all Catholics and our friends who care about creation meets monthly online on the second Monday of the month and also organises other events online and in-person. Some events take place jointly with the Northern Dioceses Environment Group, as we all work together to animate the Catholic community in the long-term task of stabilising our climate and protecting our common home. Every meeting includes a time of prayer and a section on sharing of resources, events and actions for the environment.
