Meeting On Zoom

Guardians of Creation Team

We meet monthly online on the second Monday of the month and also organise occasional other events online and in-person for mutual support and encouragement. Every meeting includes input on some aspect of the climate or environment and a sharing of best practice in resources and events. Some events take place jointly with the Northern Dioceses Environment Group and guests from elsewhere are always welcome, as we all work together to animate the Catholic community in the long-term task of stabilising our climate and protecting our common home. We are inspired by the principles of Catholic Social Teaching set out by Pope Francis in the encyclical *Laudato Si'* and the teachings on care for the earth and one another found in the Scriptures. Participants include CAFOD and Diocesan staff and volunteers, *Laudato Si'* Animators, clergy, parishioners, religious and activists. You are most welcome to join us as a one-off or to sign up and attend regularly. [Book with Eventbrite](#) Co-ordinator colettejoyce@rcdow.org.uk
