The Season of Creation is here

“**Let Justice and Peace Flow**” is the theme chosen for Season of Creation 2023, the ecumenical celebration we hold each year from September 1, World Day of Prayer for the Care of Creation, to October 4th, the feast of St. Francis of Assisi. Pope Francis first instituted the September 1st World Day of Prayer for the Care of Creation in 2015, serving as a way to encourage the faithful around the world to pray for our common home. The annual day also marks the beginning of an ecumenical outreach bringing Christians to pray and work together in what is called the Season of Creation.

Pope Francis’ Message for the Season

In his Message for the World Day of Prayer for the Care of Creation Pope Francis chose the theme “Let Justice and Peace Flow,” inspired by the words of the prophet Amos: “Let justice flow on like a river, righteousness like a never-failing stream.”

The Pope begins by noting that, “God wants justice to reign; it is as essential to our life as God’s children made in his likeness as water is essential for our physical survival.” You can read the full message below, and the Catholic Bishops’ Conference has also [provided a summary](#).
