Laudato Si Animators Formation Course

Laudato Si Animators Formation On Demand 2023
laudatosianimators.thinkific.com

There is an online Laudato Si Animators formation course starting on 7th October for anyone who is concerned about the climate crisis and wants to help care for creation. The global expansion of animators is cause for hope for our planet which suffers the consequences of our ecological sins. The Laudato Si Animators programme strives to begin to repair this through an integral training based on ecological spirituality, knowledge of climate change and leadership skills.

There will also be a course tailored for young Europeans aged 18 - 35 which starts in November, details will follow soon.

There will be no more LSA training courses until 2025 so please take this opportunity to make a difference.
