2026 SEASON OF CREATION runs from September 1st (World Day of Prayer for the Care of Creation) to October 4th (Feast of St. Francis of Assisi)

This year it is centred on the ecumenical theme “Living Water” inspired by Ezekial 47:1-12

Last week we prayed for communities around the world that have been devastated by recent ecological disasters. Let us now turn our hearts to our own relationship with the Earth. Pope Leo reminds us that caring for creation is inseparable from upholding human life and dignity. Water is life-giving, but when neglected, it becomes a source of tragedy. We are called to an “ecological conversion” - a change of heart that changes how we live. Let us pay conscious attention to the water we use. We thank God for the clean water that flows freely from our taps and commit to using it mindfully. True change begins with small, daily reverence.
