2026 SEASON OF CREATION runs from September 1st (World Day of Prayer for the Care of Creation) to October 4th (Feast of St. Francis of Assisi)

This year it is centred on the ecumenical theme "Living Water" inspired by Ezekial 47:1-12

Ezekiel's vision reframes water — the most basic element of life — as a divine agent of renewal, justice, and hope, a life-giving force flowing from God's sanctuary. In Ezekiel's time, water was a symbol of divine presence and blessing. Great civilizations depended on mighty rivers such as the Nile, as well as the Euphrates and the Tigris which were two of the rivers that watered the Garden of Eden (cf. Gen 2:10). The water of the oceans too is teeming with life! The vision begins with a small trickle — droplets of water flowing from the place of prayer and sacrifice. From a tiny stream it grows to an unstoppable river — the first marvel. The river grows as it flows from the Temple, nourished by the worship and prayers of God's people.

But the second marvel is greater still. The river does not merely sustain life, it restores entire ecosystems. The prophet saw "on the bank of the river a great many trees on one side and on the other.... This water flows towards the eastern region and goes down into the Arabah, and when it enters the sea, the sea of stagnant waters, the water will become fresh." (Ezek 47:7,8) While describing how the river flows into the "sea of stagnant waters" the prophet is referring to the Dead Sea, one of the most lifeless places in his region. So powerful is this river's water that the salt waters will become fresh and teem with life.
