## CONFESSION

Saturday: 10.30am

Saturday: 7.00pm

## DEVELOPING WORLD GROUP (DWG)

Parishioners donated £259.93 over 8 January-7 February via the DWG box and the wall safe, and a further £316 as standing orders over January as a whole. Thank you for your great generosity. All of this money will be used to support the building of a primary school in a poor area of Zimbabwe, which lacks one at present. Full details of the project will be provided soon, immediately the project is finalised. Part of our funding will come from money that we had planned to send via the International Refugee Trust (IRT) for the second phase of the Ugandan water project. We opted not to do so, after IRT reported problems with the community association undertaking this work. New members are welcome to the Group which next meets on 15 February (please contact Julia Roche if you are interested in its work/joining.) Lastly, a big thank you to the many parishioners who took home a green collection box (in aid of DWG projects), after they were launched last month.
