This Sunday we have a third extract from the Sermon on the Mount. It can appear at first glance to be a series of moral statements and rules from Jesus. On closer reflection we can see Jesus' message here is the call for each of us to 'go deeper'. The Scribes and the Pharisees followed the letter of the law but without depth. Jesus is clear that he has not come to demolish the law, rather, this whole passage is a call to a more profound reflection on our lives; not ticking boxes but moving towards a deeper change of heart in dealings with others. Jesus gives many examples of how people might do this: warning against the hypocrisy of offering gifts and rituals at the altar when we may have huge anger and resentment towards another. Is the real sacrament not in reconciling that relationship first? Which offering is more life-giving? It is not enough to 'not murder', but we must watch our anger which can lead to violence. Jesus is calling on people to watch their thoughts which can lead to serious actions like murder and adultery.

When we encounter Christ, the grace that this experience brings can make us aware of what is not ok in our lives. We are called to a radical conversion, a change of heart. And so we read today's passage with our hearts, not our heads. It may help to recall a time when you felt God's grace bringing you to a deeper realisation about your life.

## **MARRIAGE ENRICHMENT**

### **Weekend on 11-12th March in Harpenden.**

Pope Francis says *“Love needs time and space; everything else is secondary. Time is needed to talk things over...to listen to one another...to appreciate one another and to build a stronger relationship.”*

The weekend is practical and aimed at encouraging couples to reflect on their relationship and improve the quality of their communication at all stages of their married life. It is an opportunity to stop, and in a safe place reflect on your marriage relationship so as to transform it into a thriving and joy-filled encounter. The weekend is an all-round experience unlike any other and there is no group sharing. Activities are individual and couple based.
