

URGENT APPEAL: OPPOSE DOCTOR-ASSISTED SUICIDE

The Assisted Dying Bill would allow doctors or other health professionals to provide help such as lethal drugs for dying people to commit suicide.

Assisted dying gives the message to sick, disabled and elderly people that they don't have lives worth living. Vulnerable people can feel under pressure to choose death. There is evidence of how this has happened in other countries where assisted dying has been legalised.

Please write to our MP, Peter Lilley **today**, asking him to oppose the Assisted Dying Bill. Address: **House of Commons, Westminster, London, SW1A 0AA** or email **lilleyp@parliament.uk** For further details www.notoassistedsuicide.org.uk There will be a vote in the House of Commons on 11th September 2015. It is urgent to write to MPs before 21st July, as that is the last day before the summer recess. After 21st July, many MPs will be away from the House of Commons until just before 11th September,

ARE YOU THE TYPE?

We have a team of people who help to type this Newsletter each week. They take it in turns and it only works out about once every few months. It's not difficult or demanding but a great help to the parish.

Can you help? If so please let Mgr. Turner know after Mass on Sunday.

TAKE THE PLUNGE

When families in our parish are preparing for the baptism of their child we provide sessions for them. The purpose is to get the parents thinking about what Baptism means and what are the implications for parents of those being baptised.

Could you help those parents? It's not difficult and is very enjoyable. Give your name to Mgr. Turner after Mass or email the parish office.

PARISH FINANCE COMMITTEE

The Committee will meet at 8.00pm on Monday evening.
