**12<sup>th</sup> June 2016  
11<sup>th</sup> SUNDAY in ORDINARY TIME**

### **OVERWHELMED!**

**It's difficult to put into words my gratitude to the parish for the wonderful celebration last Sunday to mark my 50 years as a priest.**

**The Thanksgiving Mass was wonderful in every way.**

**Visitors to the parish were quite overcome, as I was, with the way in which the liturgy was celebrated. It was a powerful experience.**

**The tremendous congregation then went along to the reception. The quality of that occasion was remarkable also. It was such a great credit to everyone who contributed to that in any way.**

**Then there was the amazing gift of a cheque that I received as well.**

**My heartfelt thanks to all of you for that kindness.**

**It seems too little just to say 'thankyou' but I do hope you all realise my heartfelt appreciation.**

**Monsignor Turner.**

### Life in the Circus

A couple who worked at the circus wanted to adopt a child. Social workers had doubts about their suitability, but the couple produced photos of their large motor-home, which was equipped with a beautiful nursery. As for education, not only was there a nanny, but also a full-time tutor to teach the child all the usual subjects along with French, Mandarin and computer skills. Finally, the social workers were satisfied, and had only one last question. "What age child are you hoping to adopt?"

"Oh, we don't mind at all," the couple assured them. "As long as he fits in the cannon."

### Economy

The wife of a banker asked him why he seemed a bit down. He replied: "I'm a walking economy! My hairline is in recession, my stomach is a victim of inflation, and both of these together are putting me into a deep depression."
