They are working with farmers like Edelmira and Martin to provide training and reintroduce native seeds that were used generations ago. These seeds are strong and able to grow in the warm, rainy climate, ensuring that farmers are able to harvest crops, and with that, the surety that they will be able to provide for their families. Your donations will help CAFOD offer long term support to local communities to enable them to stay on the land they love. Envelopes for your contributions are available after Mass today, and will be collected next weekend.

## A SOCIETY BASED ON JUSTICE & PEACE

Tues. 17 October – 7.30 pm  
"An authentic faith ... always involves a deep desire to change the world, to transmit values, to leave this earth somehow better than we found it" (Pope Francis' encyclical *Evangelii Gaudium* (The Joy of the Gospel)  
In June this year our Bishops quoted Pope Francis and called on us (to build) "a society based on justice and peace".  
'Justice and peace' is a way of describing the Church's call to witness to gospel values in society. If you would like to know more about how we as a parish might show that witness today in our local community, nationally or internationally, **do please come along to the Undercroft at 7.30 on Tuesday 17 October.** Members of the Westminster Diocesan Justice and Peace Commission will be with us to share their knowledge and experience, and perhaps inspire us to great things! Everyone is very welcome.
