The rich man - who is not given a name, notice - wants Abraham to send Lazarus to warn his brothers that they must change their way of life. Yet, Jesus says, there is no point - they already have all the warning they need. Why should a great miracle make a difference?

There's an important and very broad point being made here, one which we hear several times in the teaching of Jesus and elsewhere in the New Testament, and it is this: all this has been foretold, all this is plainly to be seen in the teaching of Moses and the prophets, what we call 'the Old Testament', no one should be surprised, or caught unawares.

Yet they are. Frequently, Jesus chides his disciples for their failure to understand. After the Crucifixion, the disciples on the road to Emmaus need the prophecies explained to them by the risen Christ. From the day of Pentecost onwards, Peter and other apostles must explain in their preaching how the coming, suffering and resurrection of Jesus perfectly fulfil what was promised. And St Paul, again and again, argues and explains the old scriptures to show how they point to the new, the Christ, the one who suffered and is risen.

And the point, perhaps is this. People ask for proof. Prove God exists Prove God is love Prove prayer is not a waste of time.....

Yet the proof is already there. We can't show it to them - because they are already ignoring it. They see, and refuse to believe their own eyes. It is not the evidence that is lacking, but the eyes that are closed, and ears that refuse to hear.

MONTH OF THE ROSARY

October is the month of the Holy Rosary. This Gospel prayer will be prayed in church, Monday to Saturday, after the morning Masses.

CONFIRMATION 2020

Preparation to receive the Sacrament of Confirmation, for those young people in Year 9 or above, will commence in November. Application forms are available after all Masses throughout September. Completed forms and copies of the Baptismal Certificate must be returned to Melanie in the parish office by Monday 8th October please. Please make a note of the Confirmation Retreat dates from 17th to 19th January 2020.

YOUR PARISH NEEDS YOU!

We are looking for parishioners to join the team of catechists preparing our young people for Confirmation. This is a very fulfilling role and there is no experience needed as training will be given. If you are able to give up a small amount of time on around eight to ten Sunday evenings throughout the year, and you relish the opportunity to work with the wonderful teenagers in our parish, then do get in touch. Probably the most important qualities you need to have are enthusiasm, a friendly smile and a desire to help our young people explore their faith, as they prepare to receive the Sacrament of Confirmation. Please do consider this important role and if you have any questions, or would like to offer your help, then please speak to Canon Anthony or contact Anna Painter on 07940 500648 or annapainter09@aol.com

As with any role involving our young people in the parish you will need to undergo the Safer Recruitment process involving a DBS check and our Parish Safeguarding Representative Brigid will guide you through this.
