Very soon we will be celebrating two important feasts in the Easter calendar: The Ascension of Jesus and Pentecost. Our readings today draw our attention to this and begin to point us in that direction.

Initially after the resurrection, the friends and followers of Jesus went in to hiding for fear of their lives. They had seen their close friend and Master betrayed, denied, condemned and crucified. They had lost all heart. But eventually they began to find the courage and strength to believe in Jesus and in themselves. Jesus had appeared to them several times to strengthen and encourage them. So, they began to go into the streets and villages and proclaim the good news of the resurrection.

They did not do any of this by themselves. They were filled with the Spirit of the risen Jesus. When the crowds ask by what power they heal and preach, Peter replies it is through faith in the name of Jesus the sick are made better. In the first reading this Sunday, from the Acts of the Apostles, many people are healed and cured. The followers of Jesus lay their hands on the people, and they receive the Holy Spirit. This simple but profound ritual was repeated when we were Confirmed. We were sealed with the gift of the Holy Spirit.

Just as the first followers of Jesus proclaimed and announced the good news of his resurrection, we in our time, and in our way, are called to do the same. Today, we are the people who are called to be witnesses and messengers of the resurrection. We do this in our homes, our communities and in our workplaces; wherever and however we can.

As we prepare to shortly celebrate the Feast of Pentecost, may we recall and remember our own confirmation. May the Lord help us to realise that we are called not only to believe in his resurrection, but also to live and proclaim this good news through the quality of our daily lives with each other.

## ASCENSION

Next Thursday, 40 days after Easter, we celebrate the feast of the Ascension of the Lord. An important Easter feast, and a holyday of obligation, when we are required to attend Mass. Masses will be celebrated at 9.15am and 6.00pm.

## SUNDAY MASS

At their recent meeting, the Bishops of England and Wales, decided that the obligation to attend Mass, every Sunday, is to be restored, from the feast of Pentecost, Sunday June 5<sup>th</sup>. Of course, they recognise for reasons of health, there are those who do not feel safe enough to return to Mass, and point out that it has always been the understanding of the Church that when the freedom of any Catholic to attend Mass in person is impeded for a serious reason, because of situations such as ill health, care for the sick or legitimate fear, this is not a breach of the Sunday Obligation. The Bishops also note "that parishes have benefitted during these difficult times from the online streaming of Mass and other services. "Virtual viewing" of Mass online does not fulfil the Sunday Obligation." The full statement can be found at:

Thank you to everyone who contributed to the recent collection for the Priest Training Fund. Your support for our 19 current seminarians, is both encouraging, and appreciated. The fund remains open for another couple of weeks. If you wish to make a donation, you will find envelopes in the porch, which you can drop into the parish office, or you can make your donation online at [www.rcdow.org.uk/donations](http://www.rcdow.org.uk/donations) through the Diocesan website. The formation of priests is of top priority, and this fund contributes to ensuring you will have priests to serve you, in the years to come.

## SUPPORTING UKRAINE CAN YOU HELP?

A parishioner who will shortly be hosting a Ukrainian refugee from Kharkiv, has been asked if anyone in Harpenden could sponsor this refugee's friend (Oksana, a cook) and her 16 year old daughter (Sophie) who have been forced to leave their home in the Donetsk. That way the refugee already coming would be nearby to help them adjust to life here - neither have left Ukraine before. They would love to bring their cat too if at all possible. If you would like to find out more, please email Melanie in the parish office. Many thanks.

## A SAFE PLACE

Despite hearing of high numbers of Covid, it's very good that so much of life appears to be returning to normal. Throughout the pandemic your patience, and understanding, has been much appreciated. As in other parishes, we continue to follow the guidance, received from the Bishops, which is still in place, that hand gel is dispensed on arrival and departure, that unless exempt, everyone should continue to wear masks in church, and windows or doors are left open. During the pandemic, parishioners commented how safe they felt in church, hopefully, with everyone's cooperation, that continues to be the case.
