

**WELCOME FR CARLOS!:** It has been good to welcome Fr Carlos Quito as our Assistant Priest. He will be at Northolt this Sunday, having met you all at South Harrow last week. Here is a little message from Fr Carlos:

*“Hello everyone! My name is Fr. Carlos. I am 31 years old. I was born in New York of Cuban and Ecuadorian parents and have 5 brothers and sisters. I offered to train as a priest under the formation of the Neocatechumenal Way and was sent to be trained as a diocesan priest for the Diocese of Westminster, both at a House of Formation at St. Edward’s Convent, Marylebone, and Allen Hall, Chelsea.*

*I was ordained a Deacon in 2016 by Bishop Nicholas Hudson and served in Burnt Oak, North London. I was ordained a priest in 2017 by Cardinal Vincent Nichols; and have served in parishes in Bishop’s Stortford, Hertfordshire, and Highbury, North London.*

*I am happy to have settled in the new pastures of St. Gabriel’s and St. Bernard’s, eager to meet and serve you. As the restrictions on COVID-19 are easing, I am very happy to meet and visit you. Please be assured of my prayers for every one of you at this time.*

*If you wish to contact me, please feel free to reach me at the parish number.*

*Father Carlos”*

**CRIB APPEAL FOR THE CATHOLIC CHILDREN’S SOCIETY:** Thank you for your support for the Crib Appeal during the Christmas season. **We raised £1535.55**, in addition to all the work of prayer that was offered. This money has been forwarded to the Catholic Children’s Society where it will make an immediate difference to families in our diocese facing so many pressures in our society.

**PLANNED GIVING ENVELOPES:** Do you use the weekly envelopes for planned giving to the parish? If so the office is now preparing the set of envelopes for the next year and it may be time to revise your needs: If you would prefer to make your offerings by Standing Order instead of by cash; or if for another reason you no longer require a box of envelopes; or if you have changed your address please contact the Parish Office to let us know. Also, for those who have made a Gift Aid declaration it is important for us to know if you no longer pay tax.

**PARISH OFFICE:** Cynthia Rodrigues, our Parish Administrator, will sadly be leaving this post at the end of February to take up a new role at Diocesan Central Offices. Cynthia has overseen the Parish Office in an exemplary way over the last three years and we will miss that very much!

The position of Parish Secretary/Administrator is a very important one and a job that requires a range of skills. It is also very much part of the pastoral ministry of the parish. Below is the diocesan advertisement for the post. If you know a person of faith who might be interested in this opportunity, please point them in the right direction. There’s a link to the advert and Job Description [here](#).

**Salary:** £13 per hour

**Closing date:** 25 February 2022 at noon

**NEWS FROM STEPHEN ANDERSON:** Many of you have been asking where Stephen has been. Stephen used to play the organ at St. Gabriel's from time to time at the 10am Sunday Mass. I am very pleased to tell you that he has been appointed as Director of Music at a church in Central London. He goes with our very good wishes and we thank him for his years of loyal service.

Stephen still lives in the parish and we look forward to hearing his news when he comes to visit us.

**SPUC (Society for the Protection of Unborn Children) WHITE FLOWER APPEAL 26/27 February:** SPUC is currently campaigning to protect Pro-Life speech. Pro-life witness is being restricted now more than ever; we must be able to speak freely to protect the unborn and all affected by these issues, especially the mothers of the unborn. Please be as generous as you can to support SPUC.

**WESTMINSTER DIOCESAN LOURDES PILGRIMAGE 22-29 JULY:** The Diocesan Pilgrimage Office writes to us as follows: Plans for **Westminster Diocesan Pilgrimage to Lourdes** from **22<sup>nd</sup> to 29<sup>th</sup> July 2022** are well under way! The Grotto has in fact been open since spring 2020 and awaits the return of international groups of faithful pilgrims and rest assured, Our Lady is abundant in patience.

In ongoing planning for this, the first Westminster Diocesan Pilgrimage to Lourdes since the Coronavirus pandemic began, it is important to know *who* intends to travel with Westminster Diocese and in *what capacity*. For this reason, an **Expression of Interest** Form is available in paper copy (attached) or online for completion. Please remember to tick 'Yes' or 'No', and to read and sign the Privacy Statement before returning the form, and note, the completion of the **Expression of Interest** Form does *not* constitute a commitment to make a booking.

An online link can be found via: <https://forms.rcdow.org.uk/lourdes-pilgrimage-2022-expression-of-interest/> on the Westminster Diocese Pilgrimages webpage.

It goes without saying that, given the fraught difficulties that independent travel might unexpectedly incur, it is suggested, and by some, even recommended under the current climate, that all Westminster participants opt to *travel together* as *one body of pilgrims* to Lourdes, possibly with the same travel operator and, moreover, that every traveller possess the appropriate *travel insurance* product e.g. with Tangney Tours (01732 88 6666). This type of policy offers cover for the potential eventualities which may occur with travelling abroad, and more especially if a Covid-19 related medical incident or other were to occur.

[NB: If you are a registered practising Doctor or Nurse please make this known on your form and also on your booking form should you choose to travel with the Diocese of Westminster on Pilgrimage.]

The organisers of the Westminster Pilgrimage to Lourdes would very much appreciate it if you could kindly complete the **Expression of Interest** Form – either online or by paper copy – and return it as soon as you can.

**ST BENEDICT'S (EALING ABBEY) SCHOOL ASSISTED PLACES:** St Benedict's is a leading fee paying school in our area. The school has written to make you aware of scholarships and generous bursaries available to broaden access, offering financial support with fees to eligible parents of gifted young people. Full details from [www.stbenedicts.org.uk](http://www.stbenedicts.org.uk). Means-tested St Anselm awards are worth up to 100% of school fees. We have some leaflets available from the parish office.

**COVID PRECAUTIONS:** From Thursday 27<sup>th</sup> it will no longer be mandatory to wear face coverings inside public places and public transport. **HOWEVER**, it remains the recommendation of the bishops that we should continue to wear face coverings in church for the well-being of the greatest number of the faithful. Please do respect this.

The high level of Covid infections still taking its toll around us makes parish life still very awkward - but we carry on with basic good sense precautions to make our buildings accessible to as many as possible. Please do take on board the regular appeals for more volunteer welcomers and cleaners - this is a simple way to help make things work well, and will help build up the parish for the future.

**NEW GUIDELINES ON COVID PRECAUTIONS:** The bishops have sent new guidelines, and as a result you will see a few “returns to normal” in church. Holy Water is once more available at the door of church. Books and papers can now be used again. All steps in the right direction...

**RIGHT TO LIFE UK WRITE TO ASK FOR YOUR HELP:** Right To Life UK has had a challenging and busy month, with the assisted suicide lobby attempting to hijack the Government’s Health and Care Bill and force them to lay an assisted suicide bill before Parliament within a year of the Bill passing into law.

The Health and Care Bill will shortly move onto Report Stage where there is a high risk that Lord Forsyth will retable his amendment. As such, Right To Life UK is asking parishioners to sign up to their Action Alerts, so they can effectively participate in their efforts to stop this amendment passing, and others like it. You can do so by visiting the following link: [www.righttolife.org.uk/#action-alerts](http://www.righttolife.org.uk/#action-alerts)

**SYNODAL PATHWAY:** We still hope to provide a practical opportunity for us all to participate in the listening stage of the Synod process that Pope Francis has begun. Perhaps when the covid infection rate starts to recede and our new assistant priest arrives this will be more easy to enable. Keep it in your prayers.

**THANKS FROM “AID TO THE CHURCH IN NEED”:** Thanks to your wonderful and generous compassion, more than 330 projects across 76 countries were paid out in 2021 by the UK office of Aid to the Church in Need – one of the best years on record and achieved in spite of the COVID pandemic. Projects supported by Aid to the Church in Need (ACN) included urgent medical support for Syrian Christian refugee families in Lebanon, subsistence aid for priests, Sisters and catechists ministering in Sudan’s Nuba Mountains, and a Church-backed campaign providing emergency COVID-19 help for the poor in Delhi’s slums.

*Neville Kyrke-Smith, national director ACN (UK), said: “Given the immense challenges our brothers and sisters faced in so many countries last year, I am once again humbled by our benefactors’ love in response to their suffering.*

Mr Kyrke-Smith stressed that ACN (UK) had not forgotten long-term priorities, and was still helping Christians in the Middle East suffering from regional conflicts and targeted attacks from extremist groups. Syrian refugees who fled to Zahlé, east Lebanon, received ongoing support including food packages, hygiene kits, rent assistance, fuel, and medical needs.

**The UN does not provide these Christian families with any assistance – all international aid is channelled via the Muslim-majority unofficial camps where Christians are afraid to live.**

Other support provided by the UK office during 2021 included support for seminarians – particularly in Africa, Eastern Europe and the subcontinent, reconstruction of churches across the globe, such as St Joseph’s, Kragujevac, Serbia, and rent support for struggling families including in the Syrian capital Damascus, as well as Mass stipends to support poor priests. Learn more about Aid to the Church in Need at [acnuk.org](http://acnuk.org).

**GOOD COUNSEL NETWORK SEND NEW YEAR GREETINGS:** With thanks for your support by prayer and financial donation, GCN write as follows: “I write at the end of another difficult year. A second year dominated by Covid 19 and the restrictions imposed on life to reduce its spread. And also a year which – for pro-lifers – was dominated both by more and more attempts in Parliament to loosen abortion laws and expand euthanasia and the “pills by post” method of abortion. These home abortions mean that abortion vulnerable women have suddenly become far more difficult to reach, to offer help to and that abortion has become even quicker, allowing less time for counselling or even for calm thought and decision making. This is something the abortion industry have claimed as a great victory – more women having more abortions, quicker and more cheaply (cheaper for the abortion provider, not for the “purchaser” which is usually the NHS) in their own home. Statistics tell a different story, showing women receiving the pills with no checks on who will actually take

the pill, or on any of the medical facts (is she right about how far along in the pregnancy she is? Has she got health issues or mental health issues she isn't telling about?) and whether the woman is being abused or pressured. They also show that thousands of women have needed hospital treatment following their Pills by Post abortion. Furthermore, the Pills by Post scheme, coupled with buffer zones at the busiest abortion centres here in London, have vastly reduced the number of women we can reach. The number of babies whose Mothers we have been able to support were down last year, and in response to these challenges we are developing new outreaches to reach and support Mothers at risk of abortion. We will monitor which approaches are most successful over the next few months and develop new services to meet the current challenges we face.”
