The statement is called an "Invitation" for all to be putting Sunday and Holy Day worship in first place as of Pentecost Sunday. If you have any questions or queries about this please ask one of the clergy. Also available in the foyer is Fr James' digest of the previous statements by the bishops, called "*Sunday - It is our day.*"

DAY OF PRAYER FOR EASTERN CHRISTIANS: This year's International Day of Prayer for Eastern Christians is on 22nd May 2022, the 6th Sunday of Easter. Organised each year by the charity FACE, who write:

"This Day of Prayer for Eastern Christians, which brings Eastern and Western Christians together, offers an opportunity to give thanks to God for all that we owe the Oriental Churches: the first preaching of the Gospel, the origins of the monastic tradition, many of the early Church Fathers, and, above all, the witness of the Eastern Christians down the centuries which has been, and still is, an inspiration to our faith.

Today, Eastern Christians are a diminishing presence in the Middle East. Maintaining their presence in those lands is essential for stability in the wider region, as well as for guaranteeing Western Christians an unbroken heritage and tradition from the source of our faith. Our Catholic charity, Fellowship and Aid to the Christians of the East (FACE), devotes itself exclusively to supporting the Eastern Catholic Churches in the Middle East, the Horn of Africa and India, through long-term projects in education, healthcare, pastoral support and interreligious dialogue, so that Eastern Christians may remain in their homelands."

NEW CAMPAIGN AND RESOURCE FROM CAFOD: CAFOD write as follows with information you may wish to follow up: "The paradox of abundance": Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. St John Paul II called this 'the paradox of abundance.' Clearly the currently global food system is not working. But as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! CAFOD's new campaign is called *Fix the Food System*. See www.cafod.org.uk/food for more info.

FOUNDATION DIRECTORS SOUGHT BY BLESSED HOLY FAMILY ACADEMY TRUST: BHFCAT is currently seeking to appoint up to 5 additional Foundation Directors to the Trust board as part of the ongoing expansion of the Trust in line with Westminster Diocese Academic Strategy.

Foundation Directors are key strategic decision makers in a Catholic Academy Trust (CAT). The legal responsibility for the performance of each academy rests with them. Their role is strategic rather than operational much in the same way that the role of a Foundation Governor is within a single non-academy Catholic school.

The Trust Board is keen to ensure that there is a wide range of complementary skills reflected on the Trust Board. An annual skills audit is conducted to help plan for training and recruitment. At present BHFCAT are looking to recruit Directors with expertise in: Financial Management; Law; Procurement; Facilities Management; Marketing; Local Authority governance. Please contact Catherine Hogan for information at hoganc@hotmail.co.uk

SACRAMENTAL PREPARATION IN OUR PARISH: As we emerge from the Covid period to a new reality, so too our approach to preparation for the sacraments needs to change. We don't have an official line on this in our diocese as yet, but Cardinal Grech, Chair of the European Conference of Bishops, memorably said in 2020 that if after Covid the Church went back to doing what we did before it would be suicide!

There are some radical new ways of thinking on this unfolding in some parishes around the UK as we wait for the bishops to take a lead. We will be a little less radical.

As Parish Priest I ask families and candidates not to come with particular expectations or sense of entitlement to what should happen when: candidates should come to the sacraments when they are ready, and the first step to being ready is that habitual Sunday worship in line with the "Obligation" should be the **established** norm for the families of small children - and the children be part of this - or chosen personally by those of teenage years and above. After that, we can start to look at the base on which to build. If you have any questions or observations, contact Fr James. (March 2022)

(Copies of the bishops statement on Sunday and Holy Day worship of May 2022, and Fr James' digest of the previous statements by the bishops are available in the foyers of our churches and on the website. This will help to give context to the above.)

Support our parish.

You can make a donation to the parish by scanning the QR code or making a card payment on the card machine at the entrance of both of our churches.
