

Masses for the Sick and their Families, NHS Front-Line workers and those working in Social Care

*Recognising that the COVID-19 pandemic is affecting everyone,
special Masses will be celebrated for the sick,
their families, care workers and NHS staff.*

The Catholic Bishops of England and Wales recognise that this time of the COVID-19 pandemic is affecting every person in our countries. Those who are sick, and their families, are suffering many hardships of isolation from contact with those they love.

Our front-line workers in hospitals and in care homes all over our lands are giving exceptional service to those who are vulnerable at this time.

In order to show a spiritual solidarity with all those who are involved in the ways described above, each week from next Thursday, a Catholic Bishop will celebrate Mass in their Cathedral which will be live-streamed for people to join.

This will take place *every Thursday at 7pm.*
