CHURCH REOPENING

As you will have heard we are able to open the church for **private prayer** from Wednesday, 17th June. However before we can do this we have to ensure that we have stewards and cleaners, PPE, cleaning materials, signs and a plan for a one way system in the church. Our opening day is dependent on all this being in place. **Hopefully we will open for two hours on Mondays, Wednesdays, Fridays (10.30 am – 12.30 pm) and Sundays, 10 am – 12 noon).**

Many thanks to all who have already volunteered to act as stewards and cleaners – it will be good to see you back at church! I have asked Deacon Reg to help in the task of co-ordinating a rota. This is very important. At the moment we are not allowed to open the church without at least two volunteers being present for the duration.

All parishioners are welcome to use this time for private prayer, but we have been asked to ensure that volunteers are in good health and not shielding or isolating. Anyone who thinks they have symptoms of Covid-19 **SHOULD NOT COME TO CHURCH** until their 14 day quarantine is over.

Please bear in mind the following:

- The church is open for private, silent prayer only. Please do not gather in groups to pray the Rosary.
- Please observe the 2m social distance policy.
- Please use the hand sanitizer on the way in and the way out.
- There is a one-way system – please follow the arrows and use the side door opposite the entrance to leave.
- The pews are marked where you can and cannot sit.
- Please don't bring anything with you to leave behind in the church.
- There are **no** toilet facilities available, and you are asked not to touch the statues. With apologies, you will not be able to light a candle at the present time. This reduces the amount of places that have to be cleaned at the end of each session.

Most of all, we are really pleased to reopen the church. We know that many of you will appreciate the opportunity to visit this house of prayer and peace. God bless you all.
