## FOODBANK NEWS

We will be collecting for the food bank this weekend.

Sadly the need is still there and we know you will be as generous as you always are. The following items have been requested; Biscuits, tinned meat and fish, long life fruit juice, noodles, tinned tomatoes, tinned rice pudding and custard. At the moment they are unable to accept fresh food and homemade food. Thank you for your support.

## FIRST COMMUNION CATECHISTS

We are now looking for catechists to help deliver the First Holy Communion programme for the next year. We are particularly calling to the parents of next year's group. We hope that we will be able to deliver a more traditional course and with potentially 60 children we do need quite a few of you!

For more information please call Roz Wilkinson on 07967 503366 or email: [rrw1962@virginmedia.com](mailto:rrw1962@virginmedia.com)

## HANDS \* FACE \* SPACE!

As we move towards the lifting of covid restrictions, you are reminded that there are still some things you need to know when coming to Mass.

- \* Please be ready to clean your hands with the gel provided – or use your own.
- \* Please give the steward your name and a contact number for Track and Trace – unless you are using one of the methods below.
- \* Wear a face covering, unless you are exempt.
- \* Please sit, socially distanced, on the green ticks on the pews.
- \* Please stay at home if you feel unwell at all!

## TRACK AND TRACE

You can give your details to the steward in the porch, use the NHS App on your smartphone or scan the QR code in the front porch.

## PETER'S PENCE

There will be a collection for Peter's Pence after all Masses this weekend. This money goes directly to the Holy Father for his own personal charities.

## HILLINGDON HOSPITAL PLANS

You can now get a first view of the plans for the new Hillingdon Hospital via this online exhibition: <https://thehillingdonhospitalr.live-website.com/>. With artists' impressions and plans of the proposed new building as well as information on how it will improve services, the exhibition sets out the vision for a new, modern, 21st-century hospital.
