REFLECTIONS FROM THE HOLY LAND
As we approach the one-year mark of 7 October 2023, it is hard to believe that not only the war in Gaza is still ongoing, but that a new front in Lebanon is quickly advancing to an all-out war promising that an already bleeding region is destined to a regional war with more destruction and loss of innocent human life. If all the money being spend on weapons was directed to building and development, our region would be in a much better place. The people on the ground are ready for peace, but unfortunately failed leadership on all sides will not allow, at least for now, the wish of the masses for a life characterized by justice, equality, respect, coexistence and freedom for all who call our region home.

MONTH OF THE HOLY SOULS
November is the month where we remember all those we have lost over the years. If you would like your loved ones to be remembered in our Book of the Dead, please take a form, and an envelope for your offering. The Book will rest on the Sanctuary throughout the month of November.
