"Learning with CHRIST as our guide"

"Love one another as I have loved you."

On Monday, we came together to reflect on John's Gospel and its message to follow God's commandments. In the Gospel reading, Jesus calls us to love God and to love one another.
I reflected with the children on the importance of the Gospels and our commitment to Catholic Social Teaching. We discussed how it is often easier to love our families and friends, but much harder to love those we do not know or may not feel close to. However, we all have a responsibility to help make the world a better place and to take action in supporting our local, national, and global family.

The Oscar Romero Award celebrates the life of Saint Óscar Romero, who was a voice for the voiceless and encouraged people to "aspire not to have more, but to be more."
The aim of the award is to help schools recognise and celebrate all they do as Christian communities, enabling individuals within their communities and beyond to live life to the full.
The award also challenges schools to continue finding ways of being "good news" to everyone in their community and beyond.

I was delighted to share with the children and staff that we have achieved Level One of the award.

Well done Year 6!

A huge well done to all of our Year 6 children. The way they have conducted themselves this week has been exemplary. Every child gave their very best effort, and we could not ask for more. We are incredibly proud of them all.

Dear Mrs Acres,

I just wanted to say again what a joy it was to be at Mass this afternoon. The behaviour of the children was excellent and it was really lovely to hear their enthusiastic singing. Your music teacher has done a wonderful job with them.
Also the way the children behaved during their SATs exams was exemplary.

Walk to School Week – 18th to 22nd May

We are excited to be taking part in Walk to School Week from Monday 18th to Friday 22nd May. Children are encouraged to travel actively (walk, cycle, scoot or park and stride) on at least 3 out of 5 days.

This week highlights the benefits of active travel, including supporting mental and physical health, building a sense of community, developing road safety skills, and promoting sustainability.

We hope all families will join us in supporting this positive and healthy initiative!

Dignity of the worker

This half-term our Catholic social teaching theme focuses on the dignity of the worker. We are fortunate to have a committed staff to the mission of our school and who want the very best for all of our children.
This week, I would particularly like to recognise the commitment, dedication, and hard work of our Senior Management Team, who work tirelessly behind the scenes while leading many important aspects of school life. I am extremely grateful for the positive impact they have each and every day.

Mrs Weatherby – RE and Inclusion
Miss Simpson – Early Years and Pupil Wellbeing
Mrs Rennie – Curriculum, Teaching and Learning
Miss Callender – Phase Leader and Computing
Mrs Hart – Phase Leader and Writing
Mrs Cammack – PE and Extra-Curricular Provision
Their leadership, care, and commitment play a vital role in ensuring our school continues to thrive.
