RETREAT IN DAILY LIFE

A 'retreat in Daily Life' is a special time of prayer and reflection which takes place in the midst of the ordinary round of your life.

On the first evening we will gather in the Centre, during which some helps for your prayer will be offered to you..

Each person making the retreat will be given a 'prayer guide' who will accompany them during the four weeks, meeting them once every week at a mutually agreed time and location, which could be at the Centre or elsewhere.

When the four weeks have finished, there will be a closing meeting in the Centre, where all can reflect on their experience and thank God for the gifts and graces they have received.
