

## Reflection Tuesday Week 21 – 2022

It would be too easy to conclude that Jesus did not like the Scribes, Pharisees and Sadducees when in fact he was warning them about being two faced and of misusing their power. Maybe if they had listened to him there would not have been a rebellion against the Romans in the year 70, the Romans would not have sacked Jerusalem and the Temple would have remained intact to the present day!!! Jesus wanted to save them from all that was going to happen.

### **I TAKE FOR GRANTED** (Lisette Trahan)

Each day as I awaken  
my first thoughts are of You  
The restful sleep You've given  
I take for granted too

The beauty that I see each day  
sunrise, sunsets, wondrous views  
Such a beautiful display  
I take for granted too

The times that You've protected me  
of sins that would my life undo  
How could I have failed to see  
I took for granted too

The times that You've provided  
when all the bills were due  
The times that it was all supplied  
I took for granted too

How can I begin Lord  
to express my thanks to You  
Thanking you for Your support  
In everything I do

But most of all I thank you Lord  
the way that You've changed me  
I'm not the way I was before  
your love has set me free

I thank you now throughout the day  
I am aware of You

Especially your love, dear Lord,  
I now take that for granted too.

**A genie granted me one wish, so I said "I just want to be happy."**

Now I'm living in a cottage with 6 dwarves and working in a mine.
