**YEAR A**

**23<sup>RD</sup> SUNDAY IN ORDINARY TIME**

**10<sup>TH</sup> SEPTEMBER 2023**

Gospel: *Matthew 18: 15-20*

*If he listens to you, you have won back your brother.*

If you have visited St Albans Abbey you may have noticed that it is built with thousands of small red bricks. These are re-cycled bricks from the ruins of Verulamium, baked by the Romans over two thousand years ago. Old as they are these bricks are not as old as the Pantheon in Rome. The Pantheon, built in about 50 BC, was formerly a roman temple, and is now a Christian basilica dedicated to the Virgin Mary. Its dome, at the centre of which is a thirty-foot diameter oculus (an opening to the sky) is one of the wonders of engineering. It remains the largest unreinforced concrete dome in the world, still standing in a building in constant use, and two thousand years after its construction. Recently we have heard a lot about a different kind of concrete... Reinforced Autoclaved Aerated Concrete, otherwise known as RAAC. It's

concrete with holes in it, a bit like an aero bar. Many buildings, it transpires, are at structural risk because they contain this material. We learn now that it has a life expectancy of about thirty years before it crumbles, somewhat different from roman bricks or cement. Perhaps the structural weakness of RAAC can be compared to a society which does not pay attention to its design faults. Are we building our lives without reference, even to common sense and natural law? Various amalgams mixed together, with a weak infrastructure, eventually give way. What is our individualistic society built upon? Are our values so short-term and short-sighted, that they will ultimately bring about the collapse of what we would rather endure? Like RAAC, do they lack the strength and vitality to sustain the enterprise? Our collect today prays that we all might have true freedom and an everlasting inheritance. What could be more important than these two qualities, so basic to human aspirations... that we should know freedom and the life of heaven? Graciously they are available to all, but crucially they are in Christ's gift, not man, pledged to those who trust in Him. They are a far cry from the freedom and inheritance which modern man claims for himself. The freedom espoused today is not a freedom which liberates but one which enslaves, because it is bound to the self, rather than God; my interest rather than the interest of God's creation or of my fellow man. We think that we are building an everlasting inheritance by edging God out and preferring short term expediency over the long process of nurture and hard graft of love. The love of Christ is sacrificial and merciful. *'God so loved the world that he gave'*... Consequently, we have a debt St Paul reminds us but it is *'a debt of mutual love'*. Loving others fulfils our obligations. The commandments are important because they enshrine the love that we should have for God and for one another. Today St Paul invites us to work out the special love that Christ gives us in society at large. Love, St Paul says, is the one thing that cannot hurt our neighbour. So today let's allow Christ's reconciling love to touch ourselves and those around us, for as our gospel acclaims, *'God in Christ was reconciling the world to himself, and he has entrusted to us the news that they are reconciled'*. May God's love break the concrete of our hearts, and aerate them with the fresh air of his Spirit. Let's take heed of what the psalmist says to us today. *O that you would listen to his voice! Harden not your hearts. Harden instead the cement that truly lasts.*  
Fr Julian

on pilgrimage to Walsingham with Cardinal Vincent and the Auxiliary Bishops. The theme of the Pilgrimage is 'Mary, Mother of the Home.'

God is continually building up the People of God to journey with him on a pilgrimage of faith. The coach will leave the church at 8am, to get to Walsingham in good time for 12 noon Mass. After lunch we walk the Holy Mile and conclude with Benediction at the old Priory shrine. Please note there will be two collections during the day: one during the Mass which goes towards the upkeep and development of the Walsingham Shrine and a retiring collection after Benediction which also goes towards the cost of the day. **There are now only 4 spaces left** on the coach. To book a place, please fill in the slip at the bottom of the newsletter and give it in with the £29 (£24 coach + £5 pilgrims' levy) cost, either as cash or a cheque payable to 'St Augustine's Catholic Church,' to The Presbytery.

'**THE YEAR OF THE COUNCIL**' is the autumn faith-sharing booklets from the diocese. It focuses on the Four Constitutions of the Second Vatican Ecumenical Council. If you would like a booklet for £4, please contact the presbytery by the **14<sup>th</sup> September,** so an order can be made.

## FINANCE

**FINANCIAL RESULTS FOR 2022** are now available to view on the notice board on the back of the church, by the newspapers. During 2022, we did not cover our daily running costs and had an average deficit of £663 per week. Even though our total offertory has gone up by 24.4% over the last 3 years, the average weekly donation per person was £3.67. If you are in a position to give more, it would make a real difference. Just 32% of our total offertory and donations were gift aided. If everyone had gift-aided their donations, we would have received an extra £26,036 this year! If you pay tax, please do sign up for Gift Aid so that we can add 25% to everything that you give, at no cost to yourself. You will find gift aid forms by the newsletters.

**PARISH FINANCE:** Thank you so much to all who continue to give regularly by S.O., or by envelope. For those whose finances are more stable at present, please consider your parish giving, to help the parish out. Please see the link below

### FEAST OF THE WEEK

#### THE EXALTATION OF THE HOLY CROSS 14<sup>th</sup> SEPTEMBER

This feast was observed in Rome before the end of the seventh century. It commemorates the recovery of the Holy Cross, which had been placed on Mt. Calvary by St. Helena and preserved in Jerusalem, but then had fallen into the hands of Chosroes, King of the Persians. The precious relic was recovered and returned to Jerusalem by Emperor Heraclius in 629. This day is also called the Exaltation of the Cross, Elevation of the Cross & Holy Cross Day. Our Mother Church sings of the triumph of the Cross, the instrument of our redemption. To follow Christ we must take up His cross, follow Him and become obedient until death, even if it means death on the cross.
