World Communications Day prayer

O God, whose word is truth and in whose light we see light, guide those who tell the story of our times through word and image. Make them seekers after truth and advocates of human dignity. Grant discernment to all who rely on their labours, and, as we confront the pain and promise of this world, awaken in us a sense of wonder at your presence and of longing for your peace.

We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God for ever and ever.

Amen
