People evacuated after Malvern Road, West Kilburn gas leak

Well Done Immaculate Heart of Mary Parish!

Following a major gas leak on Malvern Road last Friday evening, Brent Council approached the parish seeking the emergency use of the Church and hall to accommodate over 150 people who were evacuated from their homes. Well done to everyone for reaching out to the wider community with shelter and kindness during that evening and night until the "all clear" was given around 2:30am when it was safe for everyone to return to their homes. Special thanks to Zoe, Joselyn, Kirk and the Filipino Line Dancers who were fantastic.

All are welcome

The Epiphany of the Lord

The feast of the Epiphany reassures us that all are called and all are welcome in the presence of the Lord. Let us reach out to each other in humble service.

Thought for the day

In our deepest selves, each of us is a mystery: Where do I come from? Where am I going? Why am I here? How should I live? The risk in our present culture is to sleepwalk through life, to be satisfied with a merely material existence. But the human "project" is much greater. Each of us is really on a pilgrimage, or better on a quest — a quest to become my true self, in image and likeness of God. My truest self is found by being open to God, in whom we live and move and have our being. By following that star, by listening to our conscience and our inner selves, we come home to God.

Prayer

You are the mystery at the heart all that exists: draw us to yourself, O Lord, that knowing you we find our true selves, and finding our true selves, we may come to know you. Amen
