**Holiday season over for some**

New generation of children starting school.

Parents anxiously awaiting the day as

their child begins school for first time. How will they fit in? How will they cope with school?

As they begin secondary education or third level, how they be in a new environment?

Let us pray for our children, youngsters and young adults. Let us pray for our teachers, some of them new as well.

Let us remember how we felt and wish them the best as they begin a new phrase in their lives.

Let us pray for all as we begin a new school year that God will guide and direct them.

## Season of Creation 2024

**(To hope and act with creation)**

In the letter of Paul the apostle to the Romans, the biblical image pictures the Earth as a Mother, groaning as in childbirth (Rom 8:22).

We are not caring for the Earth as a gift from our Creator, but rather using it as a resource to be exploited. And yet, there is hope and the expectation for a better future.

To hope in a biblical context does not mean to stand still and quiet, but rather groaning, crying, and actively striving for new life amidst the struggles.

Just as in childbirth, we go through a period of intense pain, but new life springs forth.
