The American Foundation for Catholics

A new US non profit organisation that has been set up to enable American tax payers to make tax deductible donations that can be used to support Catholic parishes and other Catholic causes in the UK.

Introduction

The American Foundation for Catholics is an independent American non profit organisation and it has been established to accept donations of \$250 or more from American taxpayers and to make grants to Catholic parishes (and other Catholic causes) in the UK. It is a 501(c)(3) tax exempt organization which means that donations are tax deductible to the extent allowed by law.

How does it work?

If you pay American taxes and wish to make a donation to the American Foundation for Catholics, you should do so using this AFC's donation form. The Board of the AFC has determined to use the donations that it receives to support Catholic parishes (and other Catholic causes) and the priorities are as follows:

- The care of sick and elderly priests
- The training of new priests
- Evangelisation and formation
- The inclusion of all people in the life of the church
- Preserving church buildings for future generations
- Providing financial support to parishes

Donors are invited to suggest the cause, project or specific parish that they wish to support and, while the Board will make grants based on the AFC's priorities, the donor's wishes will be taken fully into account.

You should therefore state the cause, project or specific parish that you wish to support on the donation form. Completed forms should be returned (with the donation) to The American Foundation for Catholics, Inc, Vaughan House, 46 Francis Street, London SW1P 1QN, United Kingdom (or to The American Foundation for Catholics, Inc, c/o Chapel & York Limited, 1000 N West Street, Suite 1200, Wilmington, DE 19801).
