

CONTACTLESS GIVING IN CHURCH

We have a Dona contactless machine in our church, which allows our parishioners to make contactless donations before or after mass.

Where to find the Dona machine

the machine is located:

— in the Foyer at the back of the Church, near the Stewards table

How to use the Dona machine

- choose which donation you want to give to
- select the amount or enter any different amount if what you want to pay is not shown
- wait for the keypad screen (not the tablet screen) to indicate that it is ready for you to tap your card
- tap the card
- wait for confirmation
- Done

If you need help using the Dona one of the stewards can help.

Gift Aid

You can now gift aid your donation to the parish using the Dona machine. This is available to anyone who pays UK tax.

You will need to record your name, address & email information when prompted, but provided you use the same card you only need to do this once.
